

Welcome to team 108!

I am looking forward to meeting and learning with you this year. I put some pictures on this letter to let you know a little about me. Pandas are my favorite animal. I am a BIG Spartan fan! The goldfish represents the only pet I had as a kid. This year I will share the story of him. His name was Junior. I also have two children that you will hear a lot of stories about through the year. They both love basketball. See you on google meet in a couple of days!

Peace - Mrs. Skorupski

First day of school is
Tuesday, September 8
It's a half day!

I want to get to know you!

Please pick one or two things that are special to you. Bring them to our virtual meeting so you can tell me about them.
